Dear Julie,

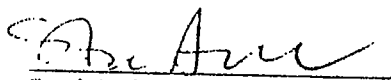

We want to say thank you for your participation in the "Up For Bid" Auction. Without you, I can honestly say this wouldn't have been such a success. Thank you for helping convince Taryn, Cody and Nick to support us!

Your generosity makes a significant difference in our ability to provide no cost programs for youth and families in the region. Events help raise vital funds for programs and increase the community's awareness of the work we do with young people.

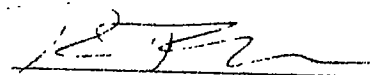

The Active 20-30 Club raises and donates more than \$100,000 annually to youth programs in the region. In the past 26 years serving the Sacramento region, People Reaching Out has reached more than 1 million youth and their families thanks to donors like you.

On behalf of the Active 20-30 #1 of Sacramento and People Reaching Out, and the communities we serve, thank you.

Dear Media Partners and Sponsors,

Thank you for a great 2007!! Together we reached millions of children on site, on air, and on line. Thank you to our event sponsors for enabling us to impact families personally. Thank you to our internet sponsors and media partners for helping us reach thousands more. The launch of our expanded internet program has been hugely successful. We're very grateful to our media partners and sponsors who have promoted this important content through news and station initiatives to ensure that it is used and recognized as a valuable resource in the communities they serve.

To thank you for your contribution to this work, this holiday season we have enclosed a new and unique gift for our media partners and sponsors – a KinderVision Calendar – complete with a personal safety tip on each month. Our hope is that you will use it in good health in 2008 and see it as a reminder of our deep appreciation for helping us keep kids safe. Let us know what you think. This is a prototype, so we produced a limited number to determine interest before committing to doing them on a larger scale next year. We value your suggestions and comments.

Again, thank you for an amazing year in 2007. We look forward to doing even more good together in 2008!! Happy holidays to you and yours and a peaceful and prosperous New Year.

Dear Bruno Cohen,

I would like thank you for your contribution to our 2007 Christmas campaign. We were able to provide more than 5,000 Sacramento County families with food boxes and toys in late December.

It goes without saying that this would not have been possible without your support during the process leading up to our Christmas Distribution. Your role is a vital key why we have been able to provide the assistance to so many families in the Sacramento region.

Thanks again, and we look forward to your involvement during the 2008 Christmas campaign.

THANK YOU!

Dear Bruno,

On behalf of the Sacramento Chapter of the Asian American Journalists Association, we want to extend our gratitude for your support of "Taste of Asia." Your Silver sponsorship made the event the success that it was.

The turnout went beyond our expectations. We certainly enjoyed the company of our friends and supporters, old and new, who were able to attend. The food prepared by our celebrity chefs was outstanding.

The money we raised will go toward student scholarships, professional stipends and community programs in the next year. Some of the proceeds will also benefit AAJA's 25th Anniversary Endowment, a national effort to underwrite AAJA's mission of enhancing opportunities for journalists of color and encouraging more of our community's youth to enter journalism.

Thanks to you and CBS13/CW31, we are well on our way to assuring another successful year.

Again, you have our eternal gratitude.

Dear Bruno,

I wanted to express my sincere thanks for your sponsorship of the Child Abuse Prevention Center's inaugural *Inspirations* luncheon. Your willingness to support this first time event was very much appreciated and contributed directly to our success. Thanks to CBS 13/UPN 31, we generated over \$70,000 and more importantly raised the profile of CAPC. With your help we have established what will become an annual signature event to raise awareness and funds for protecting children in our community.

Pallus was a pleasure to work with and did a superb job as mistress of ceremonies. She is a wonderful ambassador for your station. I'm sure had Sam been able to attend they would have done an equally fine job as a team.

Once again thank you for your support. I look forward to working with you again in the future.

Sincerely,

We cannot thank you enough for your commitment to making this event a "huge" success. Your people were absolutely wonderful.

Your "on air" people, Sam and Palas were fantastic. You got yourself a real wiener there. After the event a number of people came up to me and expressed how good they were, and how they related to the audience.

Bruno, you are a true friend, and we will be forever grateful

Dear Mr. Cohen:

We are happy to report that Inspirations 2006 was a resounding success! We had over 350 business and community leaders in attendance, 24 decorators designed amazing table top displays for all to enjoy, and the event honored four individuals who have made a difference in the lives of children in Sacramento. In addition to celebrating their tireless efforts towards the improvement of the health and welfare of children, the Child Abuse Prevention Council of Sacramento also raised over \$40,000!

Our heartfelt thanks to you, and everyone at CBS 13/UPN 31 for sponsoring our luncheon and providing us with wonderful media coverage before and during the event. You were able to give us the exposure we needed to make the issue of child abuse prevention at the forefront of our community's awareness.

Thank you Mr. Cohen, and we hope that CBS 13/UPN 31 will consider being the media sponsor for Inspirations next year!

Dear Ms. Pena:

Thank you for your support of *Black Tie and Tennies Capitol City All-Star Celebrity Weekend 2006!*

By participating in People Reaching Out programs, I learned a lot about not using drugs or alcohol and about violence prevention. I also learned that I can be a positive role model by making smart choices about drugs and alcohol and how to teach younger kids to do the right thing.

Being a part of People Reaching Out has meant a lot to me. You have helped People Reaching Out continue the programs next year that will give other students the same incredible experience.

Thanks again.

Dear Bruno:

Congratulations on being named one of Sacramento Magazine's Up and Coming Most Powerful People in the Sacramento Region. We appreciate your dedication and commitment of helping our community flourish so the quality of life is improved throughout the region for everyone! Your media sponsorship of Inspirations 2006 was deeply appreciated. The sensitivity to community needs and challenges under your direction has brought a new element benefiting our community.

As you know, we are your nonprofit neighbor, The Child Abuse Prevention Center, which is home to Prevent Child Abuse California (*a statewide agency*), Child Abuse Prevention Council of Sacramento, Lift The Children (*serving children in Romania*) and Community Schools Solutions of California. These four nonprofits have a shared mission of *preventing child abuse in all its forms*. Together, we are able to combine our resources and share expenses, thus, more funding directly reaches children in need through our vast array of trainings and programs.

Your perseverance in obtaining your goals is inspirational to The Center as it reinforces that we too can reach our goal of protecting children from harm with resolve and steadfast determination. Although Sacramento County annually has over 30,000 reported cases of child abuse – the importance of our mission to reduce incidents can be done!

Thank you for your leadership and vision which helps guide our community to become stronger, more vibrant and a safer place for all. You are a true champion for children!

Best wishes.

Dear Bruno,

Thank you for participating in the 3rd Party event hosted by Bridges on the River to benefit the Sacramento SPCA. Bridges on the River collected a total amount of \$2,036.00 on 9/18/06 for the Sacramento Society for the Prevention of Cruelty to Animals (Sacramento SPCA).

The Sacramento SPCA is dedicated to ensuring the humane treatment of all animals in the greater Sacramento Region, by providing a safe and nurturing environment for unwanted abandoned and mistreated animals until they are permanently placed into loving homes. Through proactive intervention, public education and community outreach, the Sacramento SPCA works to promote respect for all life by breaking the cycle of abuse, neglect and pet overpopulation in our community.

Your continued support helps us in these ways:

- House and care for a larger number of homeless animals in our 20,000 sq.ft. Gracie's Adoption Center.
- Treat ill or injured animals and save more lives in our 5,000 sq. ft. sickbay and isolation area.
- Provide an animal behaviorist on-site to work with our shelter animals to increase their adoptability.
- Educate children about the humane care and treatment of animals, so we can create a more positive future.

Together, we can make a positive impact on the lives of both pets and people in the Greater Sacramento Region. Again, thank you for your generous support.

Dear Mark,

Thank you for making DDSO's 8th Extraordinary Event such an enjoyable evening. We so appreciate that you were able to be our Master of Ceremonies.

Your contribution to the event helps us in our effort to assist our clients who are striving to reach their own goals of independence and personal fulfillment.

At the event, we honored Amy Nishimura in her retirement as DDSO's Chief Executive Officer. It was Amy's daughter, Lori, who was the inspiration for the establishment of DDSO's first adult development center. The evening was a testimonial to how a caring community can make a difference in improving the quality of life for individuals with severe developmental challenges.

Your kind support not only brings happiness to individuals with severe challenges, but also hope to their families for a brighter future for their loved ones. On behalf of the DDSO Foundation Board of Trustees, the DDSO Board of Directors, DDSO clients and their families, we extend our heartfelt thanks.

Sincerely,

Laraine Beliveau

Dear Diana,

On behalf of the Sacramento Valley AIDS Run/Walk Committee, the Capital City AIDS Fund would like to thank you for your participation as a sponsor of the 2006 Sacramento Valley AIDS Run/Walk on September 17. Your contribution made a tremendous impact on the overall success of the event. This year we plan to build on the successes achieved and aim even higher for the 2007 event. Your consideration for continued, possibly increased participation as a sponsor is integral to that process.

As federal funding for HIV services continues to face reductions, despite the continued growth in infection rates among women and other groups, HIV/AIDS service providing organizations of Sacramento, Yolo, Placer and El Dorado counties continue their collaborative efforts to serve those in need. Funds raised from the Sacramento Valley AIDS Run/Walk are critical to that process. All benefiting agencies of the event are 501(c)(3) community benefit organizations, as is the host organization, Capital City AIDS Fund. As such, we welcome donations year round.

We have included the sponsor form for the 2007 Sacramento Valley AIDS Run/Walk to be held on Sunday, September 9, 2007. On behalf of the 2006 Sacramento Valley AIDS Run/Walk Executive Committee, we thank you for your continued consideration and support.

Together we can make a difference.

Sincerely,
